3. good organisation, interesting topic
4. free exchange of ideas and experience, inspiring atmosphere, really INCREDIBLE hospitality from ARACIS and EXCELLENT care for visitors to Romania, it was nice idea to include other

5. Interesting info about other countries' practice

Question 3: What did you find negative or that could be improved about the event?

1. -
2. Workshop I attended lacked structure and direction and some workshops weren't held at all or merged (maybe better preparation and prior investigation), however still a lot of interesting information could be heard. that is the only real criticism
3. Road construction Bucharest-Brasov - probably the transfer by train would have been a better option.

1. -
2. one workshop on employment wasn't held - that was a shame. second day workshops were merged with plenary session. of course Brasov is hard to reach so ok

2. I'd visit a conference in Brasov again!
